Use of Funds

The grant funds may be used for the research expenses attributable to the proposed research, which may include:

- A percentage of the salary and benefits expenses (limited to 20% of the total budget) for co-principal investigators;
- Full salary, benefits and tuition expenses for students, postdocs, research assistants or technicians;
- Equipment, supplies, and other laboratory expenses;
- Expenses related to publication page charges and/or travel to present research data at scientific meetings or through other means that will contribute to the dissemination of the scientific knowledge derived from the funded research.

But may not include:

- Salary or benefits of any collaborators outside of MIT or DF/HCC nor for any research expenses related to the project that are incurred by these collaborators.
- Used for entertainment of any sort or for travel to scientific meetings that are not derivative of the ongoing Bridge Project research.
- Salary or benefits of non-technical administrative staff.
